BRWA Ivy Creek Sewer Interceptor Project
Virginia Clean Water Revolving Loan Fund Program

The Bedford Regional Water Authority (BRWA) has applied for funding from the Virginia Clean Water Revolving Loan Fund to complete installation of a new sewer line and decommissioning of the Lake Vista Pump Station (LVPS) and temporary bypass pumping at LVPS. The installation of the new sewer line will consist of approximately 7,500 linear feet of 30-inch sewer for Division 5 in the City of Lynchburg and 11,000 linear feet of 30-inch sewer for Division 6 in Bedford County. The loan request is \$12,520,000. A Preliminary Engineering Report and an Environmental Assessment prepared for the project are available electronically at www.brwa.com. Hard copies are also available for public review between the hours of 10:00 a.m. and 6:00 p.m. Monday through Saturday at the front desk of the Forest Library at 15583 Forest Road, Forest, VA 24551, or available for public review at the address for CHA Consulting, Inc. below between the hours of 8:00 am to 5:00 pm.

A public hearing for the purpose of receiving comments on the project, the alternatives considered, their environmental impact, the estimated cost, and associated user charge impact will be held in-person at the Forest Library at 15583 Forest Road, in Forest, Virginia from 5:00 pm – 7:00 pm, March 14, 2022.

Written comments may be addressed to Lawrence Hoffman, Associate Vice President, CHA Consulting, Inc., 1341 Research Center Drive, Suite 2100, Blacksburg, VA 24060 or emailed to LHoffman@chacompanies.com and post marked/timestamped no later than March 14, 2022.
