"PROVIDING QUALITY SERVICE TO EVERYONE"

Bedford Regional Water Authority
Hydration Station Grant Program Guidelines
Liability Waiver Agreement

Bedford Regional Water Authority (BRWA) has developed a Hydration Station Grant Program (Program) to provide members of the community with access to safe and reliable tap water to refill personal, reusable bottles. The BRWA will award grants – up to \$2,000 maximum per application – for the purchase of a water bottle filling station to entities located within our service area.

The BRWA agrees to provide a sponsorship in the amount of up to \$2,000 to:

_____ (Entity).

The purpose of this sponsorship is for Entity to purchase a hydration station under the terms and conditions of the Program.

The BRWA's only involvement in Entity's activities in connection with the Program is to provide sponsorship funds. Subject to availability of funds, the BRWA's only obligation to any Entity participating in the Program is to provide the sponsorship amount for the purpose stated. The BRWA is not responsible for any liability to any participants in the Program regardless of any liability incurred in connection with the Entity's participation in the Program.

Entity assumes all risk of loss resulting from liability, damage, or injury to any property or person arising from the Program, including all risk of injury to its employees, agents, contractors, students, volunteers, and project participants. Pursuant to this Waiver of Liability, Entity shall defend, indemnify, and hold harmless the BRWA, its Board of Directors, officers, employees, and agents from and against all claims, suits, or causes of action for injury to any person or damage to any property arising out of any intentional or negligent acts or errors or omissions arising out of Entity's participation in the Program.
