approval to convey to the Authority with General Warranty and English Covenants of Title, free and clear of all liens and encumbrances, all of his right, title, and interest in and to the Project as described in the Plans, with such interests in real estate as shall, in the opinion of the Authority and its council, be reasonably necessary for the operation and maintenance of the Project for the provision of water and sewer services.

III. The Authority upon conveyance of the Project by the Developer shall undertake to operate the Systems constructed in the Project, install meters, and to provide utility services in compliance with its published Rates and Regulations and other established operating procedures.

IV. Miscellaneous:

- A. This agreement shall be binding upon the successors and assigns of the parties hereto. It is expressly understood and agreed by and between the parties hereto that the acceptance by the Authority of the documents conveying Developer's interest in the Project does not mere or extinguish the provision hereof. All warranties contained herein shall survive the completion and closing of the transaction contemplated herein.
- B. The Developer shall have the right to assign its rights hereunder to its lender. Developer shall not assign its rights hereunder to any party other than Developer's lender without obtaining the Authority's prior consent in writing, which consent shall not be unreasonably withheld.
- C. The making, execution, and delivery of this agreement have been induced by no representations, statements, warranties, or agreements other than those expressed therein. Unless other agreements, or understandings are attached in an appendix to this agreement and said appendix is identified in Section IV F., this agreement shall embody the entire understanding of the parties hereto and there are no further or other agreements or understandings, written or oral, in effect between the parties relating to the subject matter hereof. This agreement may be modified by an agreement of equal formality signed by the parties hereto as their duly authorized officers or representatives.
- D. Neither this instrument, nor any other documents or oral communication should be construed as a reservation or allocation of water and/or sanitary sewer capacity for this
