

Thank you for your interest in pursuing a career with the Bedford Regional Water Authority (BRWA)! The BRWA is looking for qualified candidates to fit our culture and fulfill our mission "To provide high quality water and wastewater services to the community."

For this role, we are open to hiring someone at a trainee level with no experience or a technician in a similar position and with previous experience.

Please review the job descriptions in this document to see which one may be most suited to your skill set. You can select the bookmarks tab on the left-hand side to navigate through the job descriptions to find the one that best fits your experience.

When you apply, in the field asking which position you are applying for write either Trainee, Technician I, II, or III based on your experience. Our hiring team will review applications and set up interviews with select candidates. After interviews, the hiring team will determine which candidate is best suited for the job and make a job offer at the level (Trainee or Technician I-III) the person fulfills.

We are excited to review your accomplishments and thank you again for your interest in the BRWA!

Facilities Maintenance Trainee

Job Description

Role:

Under the direction of the Facilities Maintenance Supervisor, the person in this position is to perform assigned duties related to the efficient and proper operation of the water, wastewater, and support facilities of the Bedford Regional Water Authority.

Essential Functions

To perform this job successfully, an individual must be able to perform each essential function satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable an individual with disabilities to perform the essential functions.

- Perform routine service and troubleshooting of pumps, electrical motors, controls, and electrical instrumentation at pump stations, booster pump stations, well houses, wastewater treatment plants, and water treatment plants, as required and needed with supervision and direction from the Facilities Maintenance Supervisor.
 - Perform routine maintenance, repairs, and installs of electrical panels, starters, lights, heaters, blowers, receptacles, breakers, ballasts, switches, and other electrical devices, with supervision and direction from the Facilities Maintenance Supervisor.
 - Inspect equipment for proper safety and ensure that all necessary equipment is provided for the day's assignment
 - Operate equipment, clean and check equipment after each use, perform routine inspection and preventative maintenance on equipment.
 - Troubleshoot and perform electrical installation and repairs on controls and equipment.
 - Perform masonry, plumbing, carpentry, and pavement work as necessary.
 - Maintain records and necessary paperwork for new installations, repairs, alterations, and other tasks performed.
 - Keep all buildings and grounds clean and neat in appearance.
 - Maintain assigned crew vehicle.
 - Must be available for after-hours and weekend callouts for emergencies as needed on a rotating basis.
 - Perform other tasks and duties as assigned by the Facilities Maintenance Supervisor.
-

Minimum Qualifications:

- Graduate from High School or equivalent diploma.
- Ability to work safely and obey all safety rules.
- Ability to apply common sense understanding to carry out instructions furnished in written, verbal or diagram form.
- At least 1 years of experience in water and sewer or construction preferred.
- Ability to comply with the Authority's Vehicle and Equipment policy.

- Basic knowledge of welding, electrical repairs, PLCs, masonry, plumbing, carpentry, pump overhaul and repair, as well as industrial drive components is required.
- Be able to pass a criminal background check and drug test.

Additional Information:

- This position has no supervisory responsibility.
 - The position typically requires working Monday through Friday from 7:30 a.m. to 4:00 p.m. with a thirty (30) minute lunch break. This position is subject to being on-call during the off-hours as may be needed for emergency repairs. Position is considered essential personnel.
-

Working Conditions

The characteristics listed below are representative of the physical demands, physical agility, sensory requirements, and environmental exposures required by an individual to successfully perform the essential duties of this position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties.

- Employee rarely sits and may walk or stand for long periods of time.
- This classification involves frequent physical agility requirements such as: climbing, stooping, kneeling, crouching, crawling, reaching, pushing, pulling, repetitive motions and manual dexterity.
- Sensory requirements include standard vision requirements, ability to express ideas and ability to hear information at normal spoken word levels.
